JUSTICE OF THE PEACE COURTS

DETAILED STATISTICS

CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, many of these judges have non-judicial responsibilities as a result of their position in the community which are not reflected in these statistics.

JUSTICE OF THE PEACE COURTS

Not Reporting in 1980

Only court activity reported to the Office of Court Administration is included in this report. Not all courts have submitted the requested report forms. All twelve months' activity for 1980 was reported by 688 justices of the peace, 120 others reported fewer than twelve months' activity, and the following 148 courts submitted no reports for the year:

DETAILED STATISTICS

CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, many of these judges have non-judicial responsibilities as a result of their position in the community which are not reflected in these statistics.

MUNICIPAL COURTS

Not Reporting in 1980

Only court activity reported to the Office of Court Administration is included in this report. Not all courts have submitted the requested report forms. All twelve months' activity for 1980 was reported by 489 municipal courts, 109 others reported fewer than twelve months' activity, and the following 154 municipal courts submitted no reports for the year:

Explanation of Case Categories

1. Traffic Misdemeanors. This category includes all class C misdemeanor violations of the traffic laws of Texas and other violations of laws relating to the operation or ownership of a motor vehicle.

-Non-Parking includes all those violations which do not involve offenses for improper parking (for example, Speeding, Stop Sign, Red Light, Inspection Sticker, Driver's License, Registration, etc.).

-Parking includes those offenses, by state law or city ordinance, which involve the improper standing of a vehicle (for example, Parking on Highway Right of Way, Within an Intersection, Overparking, etc.).

2. Non-Traffic Misdemeanors. This category includes all other class C misdemeanor criminal violations.

-State Law violations are those usually found in the Penal Code of Texas and associated state laws (for example, Public Intoxication, Disorderly Conduct, Assault, Theft under $5, Parks and Wildlife Violations, etc.).

-City Ordinance violations are those non-traffic offenses found in the ordinances of the city (for example, Dog Running at Large, Plumbing Code violation, etc.).
